Dear Mr Hartley,

**Re: Lions Club of Tilligerry Peninsula- Australian Lions Foundation**

The following information is supplied for the purposes of the Lions Club of Tilligerry Peninsula's application to the ALF General Grants program for picnic tables and seating at Peace Park Playground.

Please accept this as a letter of support from Port Stephens Council for the grant submission.

Providing quality picnic settings in this scenic public reserve will significantly improve the amenity of the area and provide a quality open space that will benefit a large cross-section of the community. It will encourage the local residents and visitors to utilise the park; engage in active recreational activities and foster the building of social and interpersonal skills.

Peace Park is centrally located and accessible to users of the following community facilities:

- Tanilba bay Public School (over 560 students) - 400 metres
- Calvary Tanilba Shores Retirement Village (over 60 residents) - 500 metres
- Port Stephens Veterans and Citizens Aged Care (Legacy) - 250 metres
- Senior Citizens Centre - 600 metres
- Several community preschools

Beneficiaries of this project are diverse, ranging from children and their carers; members of the general community utilising the space for picnics and passive recreation; and visitors to the area. Providing picnic settings in this reserve will enable these beneficiaries to comfortably use the reserve for an extended period of time.
